[www.WoehlerResearch.org](http://www.WoehlerResearch.org)

## Planning and Executing the Journey Back To Full Function

### Principals of Procedural Sedation and Medical Urgencies and Emergencies in Dental Practice

Daniel E. Becker, DDS

January 9, 2021 **8AM - 5PM** & January 10, 2021 **8AM - 12PM**  
St. Petersburg, FL

### Successful Presurgical "All-On-None" Complete Dentures: Prerequisite for any Predictable Implant Prosthesis.

Tony Daher, DDS, MEd, FACP, FICD and Jack Danilov, GMDT

April 10, 2021 **8AM - 5PM** & April 11, 2021 **8AM - 12PM**  
Charleston, SC

### Hybrid Prosthetic Treatment:

#### What Works, What Doesn't, and Why

Burton Melton, DDS and Jeffrey Melton, DDS, MS

September 11, 12, 13, 2021 **8AM - 12PM**  
Santa Fe, NM

*"Every dentist must be an expert in every phase of dentistry."*

**John L. Woehler, D.D.S.**

## **Daniel E. Becker, DDS**

### **Principals of Procedural Sedation and Medical Urgencies and Emergencies in Dental Practice**

Saturday, January 9, 2021, 8AM - 5PM

Sunday, January 10, 2021, 8AM - 12PM

St. Petersburg, FL

#### *Objectives:*

- 1. Characterize various levels of procedural sedation and distinguish these from general anesthesia.*
- 2. Describe the appropriate use of various drug classes, including various routes of administration.*
- 3. Describe appropriate monitoring of perfusion, ventilation and oxygenation.*
- 4. Describe the principles of emergency prevention including office /staff preparedness and the essential components of an appropriate medical evaluation.*
- 5. Explain the components of a thorough primary assessment of a patient experiencing an adverse event.*
- 6. Describe the pathogenesis and appropriate algorithms for managing urgencies and emergencies that may present during dental treatment.*

**Dr. Daniel Becker** received a BS in Zoology at Ohio University in 1968 and his DDS from Ohio State University in 1972. He is currently Associate Director of Education for the General Practice Dental Residency at Miami Valley Hospital in Dayton, Ohio. In addition to his academic responsibilities, Dr. Becker provides IV sedation services for dental practices throughout the Dayton area and has published numerous articles in scientific journals and textbooks. He lectures extensively for dental organizations, colleges and universities on topics related to pharmacology, sedation and anesthesia, medical assessment and medical emergencies. Dr. Becker is noted for his pragmatism and his ability to convert otherwise “dry” material into formats that are both entertaining and informative.

## **Tony Daher, DDS & Jack Danilov, GMDT** Successful Presurgical "All-On-None" Complete Dentures: Prerequisite for any Predictable Implant Prosthesis.

Saturday, April 10, 2021, 8AM - 5PM

Sunday, April 11, 2021, 8AM - 12PM

Charleston, SC

*Objectives:*

1. *Understand the differences between conventional dentures, implant overdentures and implant fixed complete dentures.*
2. *Learn how to evaluate existing old dentures and how to tie them with patient's chief complaints.*
3. *Learn what clinical and laboratory steps are necessary for fabrication of economical but quality complete dentures.*
4. *Identify the magic number of implants required for a stable and retentive denture.*
5. *Answer: Should these implants be interconnected or independent?*
6. *Identify the popular attachments used in Implant Overdentures.*
7. *Learn to sequence the implant overdenture treatment plan for an optimum outcome.*
8. *Understand how we maintain these implant prostheses.*

**Dr. Tony Daher** is a graduate of University of California at Los Angeles (UCLA) and University of Southern California (USC). He is a Board-Certified Prosthodontist, a Fellow in the American College of Prosthodontists, a Fellow in the International College of Dentists. Dr. Daher is the co-director of the Global Dental Implant Academy (GDIA). He is a former Associate Professor and past prosthodontic director at Loma Linda University, and past Lecturer with the Advanced Prosthodontic Program at UCLA. He maintains a private practice limited to Prosthodontics and Implant Dentistry in LaVerne, California. He has written many scientific and clinical articles, Textbook chapters and eBooks chapters (over 50 scientific articles and book chapter) and has lectured nationally and internationally about Prosthodontics (over 150 presentations). Dr. Daher is active member in many dental and prosthodontics societies.

**Jack Danilov** is a Certified Dental Technician since 1973, Mr. Danilov worked with Dr. John P. Frush at the Swissedent Foundation, where he was involved in research and development of the Swissedent Technology for Removable Prosthetics. Mr. Danilov is a past member of the UCSF post Graduate Study Group, where he was a speaker for 20 years. Mr. Danilov has done numerous lectures for the C.D.A. and the A.D.A. and is currently a member of the Dr. Joe Massad teaching team. In 2009, Mr. Danilov was inducted into the IADFE (International Academy of Dental Facial Esthetics) in New York. For the past 30 years Mr. Danilov has owned and operated a high quality, full service Dental Laboratory in Sacramento, California. Mr. Danilov's lab specializes in Dentures with AutoCentric Occlusion and Lingualized Occlusion, Full Mouth Restoration, and Implants, all using Geneva Esthetic Concepts as his signature.

## **Burton Melton, DDS and Jeffrey Melton, DDS, MS**

### **Hybrid Prosthetic Treatment: What Works, What Doesn't, and Why**

Saturday, September 11, 2021, 8AM - 12PM

Sunday, September 12, 2021, 8AM - 12PM

Monday, September 13, 2021, 8AM - 12PM

Santa Fe, NM

#### *Objectives:*

1. *Understand the history and rationale of the hybrid prosthesis.*
2. *Identify and limit potential failures in planned treatment.*
3. *Understand the treatment planning process for fixed-removable prosthesis.*
4. *Identify the challenges intrinsic to individual plans.*

**Dr. Burton Melton** is a prosthodontist who has spoken extensively on a national and an international level. Dr. Melton graduated from Baylor University, College of Dentistry in 1970. He received his diploma in fixed Prosthodontics in 1972 from the University of Missouri-Kansas City.

He is a member of the American College of Prosthodontics, the American Academy of Implant Dentistry, the American Academy of Restorative Dentistry and the Southwest Academy of Restorative Dentistry. He is a diplomat of the International Congress of Oral Implantologists, a diplomat of the American Board of Oral Implantology/Implant Dentistry, and a fellow of the Academy of Dentistry International.

He practices as a specialist in Prosthodontics and implant dentistry in Albuquerque and Santa Fe, New Mexico. Dr. Melton lectures on all aspects of the implant dental practice, including diagnosis and treatment planning, fixed and removable implant prosthodontics, surgical solutions for prosthodontic problems, and esthetics considerations in implant dentistry.

**Dr. Jeffrey Melton** earned his DDS from Baylor College of Dentistry, his Biology and Chemistry degree from the University of New Mexico, and his Periodontal degree from the University of Texas Health Science Center at San Antonio.

While at Baylor Dental School he received the Pre-Doctoral Achievement Award from the International College of Implantology. Subsequently, he was the first graduate student accepted into a 5 year residency in a double degree of Graduate Periodontology and Graduate Prosthodontics. He also received a Masters of Science Degree from the Graduate School of Biomedical Sciences, UT San Antonio.

As the only dentist in New Mexico with a dual degree in Periodontics and Prosthodontics and the only board-certified periodontist in Santa Fe, New Mexico, he is in demand for his unique qualities to speak at Continuing Education meetings throughout the United States. He has presented at such universities as Boston University and the University of Texas Health Sciences. He lectures frequently on implants, prosthodontics and other clinical matters at national dental meetings, dental colleges and study clubs. In addition, he has authored an academic article on Periodontitis for Spec. Care Dentist Journal.
